Attn: Beth Erickson

Enclosed are two original Small Mine Reclamation Contracts which I have executed and Cashiers check # 24249 from Ozark Mountain Bank in the amount of \$18,600.00 to provide the cash surety bond for Mine S/039/001.

We have made 2 minor changes to the contract. In paragraph 8 we changed the word “may” to “shall”. In the paragraph at the top of the signature page we have deleted “and the United States” because we are not familiar with any laws in the United States that govern in good standing. We understand that good standing is determined on a state-by-state basis.

Upon acceptance please send us one of the executed contracts and the appropriate documentation regarding the cash surety we are posting.

Thank you for your assistance.

Sincerely,

W. Wesley Emerson
President
